Student Study Hall Agreement

I will come to Study Hall prepared with everything I need to do my homework: planner, binder, paper, pencil/pen, textbooks, laptop.

At 3:40 pm I will silently and independently begin my planning routine:

1. Check that all of my assignments are entered into my planner.
2. Make a plan for the completion of my work.
3. Check off each assignment and file any materials before moving on to the next subject.

When leaving the Study Hall room, I will sign out the time I leave and return. I will go directly to my designation and return promptly. I will not linger in the hallways. If I need to see a teacher on another floor or go to the library, I will fill out a form to be signed by the teacher or librarian.

Upon completion of my work, I will read independently or go home. Before leaving, I will enter the time of my departure on the attendance document.

I agree to uphold the disciplinary standards set by the Middle Division Code of Conduct at all times while attending Supervised Study Hall. I understand that any violation of these standards may lead to suspension from the program.
